Endless night

open your eyes in the dark

hopeless fight

a new reality to start

homeless blind

different from the past

lifeless alive

Waiting for the day

Endless night

open your eyes in the dark

hopeless fight

a new reality to start

homeless blind

different from the past

lifeless alive

3:32 trapped me for 10 years, I'm finally free

This was the story of a city

pretty and clean, oh what a pity! (my city)

Dull a bit, but not so guilty

to deserve a penalty of immobility and death

in minds, bodies, families for years

and years and years and years and years...

Now dawn has risen, night has passed

dead are buried but live in hearts,

you gotta respect the past,

forget the dust, resume your life,

hug your child, recover your smile,

enjoy the light, the day has come.
